To: H.E. Eng. Jamal Badran  
President of the Jordan Europe Business  
Association

Your Excellency,

The Embassy of Ukraine in the Hashemite Kingdom of Jordan presents its compliments to the Jordan Europe Business Association.

In order to intensify bilateral cooperation between our countries and facilitate establishing of direct contacts between Ukrainian and Jordanian business communities Embassy of Ukraine in the Hashemite Kingdom of Jordan has the honor to present UTEX UKRAINE LLC.

UTEX UKRAINE LLC is one of the leading manufacturers of optical cable in Ukraine. Over the past two years, company has achieved significant success and occupied more than 25% of the Ukrainian market among manufacturers of fiber optic cables

For more than 20 years, the UTEX group of companies has been developing the scope of competencies in the production of optical cables and accessories.

Company achievements:

- The company's factory was built in Chernihiv, Ukraine;
- Company produces its own TM UTEX;
- R & D on the basis of company's factory;
- The largest optical backbone network in Ukraine of Atracom company is built with company's cable, as well as many other operators.

UTEX UKRAINE LLC is looking for establishing a partnership with distributors in Jordan.
